

Friendly at School

Tell her,
say, 'we
can play
later!'

We are friendly
at school

How can
I help?

What will we
do while you
wait to
play with...

This is a
help-from-
a-teacher
situation

Remind her,
say, 'I need
a moment.'

You were...
Now you are...

How will you
solve this
problem
together?

Tell him, say,
'it's my
turn now.'

Ask her, say,
'may I play?'

Remember,
personal space.

Waiting for a turn
is hard,
you can do
hard things!
